

DOUBLE ACTING DOUBLE SPEED
DOUGH MIXER

Stable performance/Efficient power saving

Helper of kitchen

Mixing dough/egg/stirring proficient in everything

PRODUCT PARAMETER

Model	SH20	Hook (speed)	132/264r/min
Voltage	220/380V	Flour (capacity)	8KG
Power	1.1KW	Capacity	20L
Bowl (speed)	13/26r/min	Weight	85KG
Dimension	700*380*785mm	Frequency	50HZ

Enough dough strength,
tensile elastic.

The dough is not strong enough,
it breaks as soon as you pull it.

TWO-SPEED KNEADING

The flour is in contact with the mixer in all directions, greatly improving the efficiency of mixing and making the effect better.

High mixing efficiency

Flour gluten effect

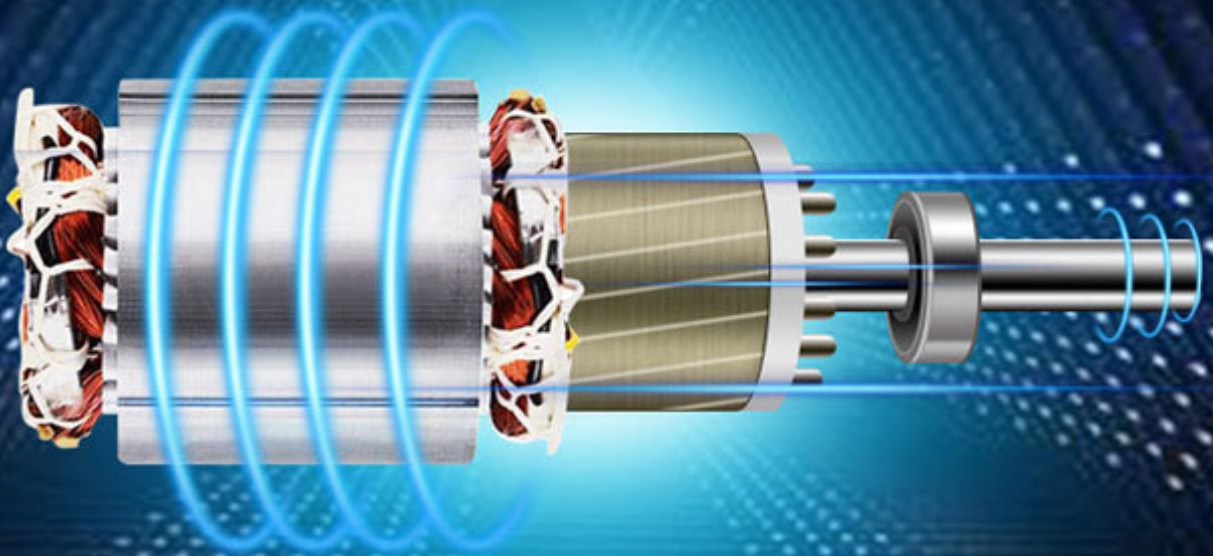

Dough film effect

PURE COPPER MOTOR

Strong power / durable / stable operation

Copper coil

Stable
performance

Low noise
